The International Cyber Policing Organization
By Decree WL 22/16.595

PRESS RELEASE

General Secretariat | Le Secrétariat Général | Secretariaat Generaal

Date: May 6, 2020

Our Ref: LG01/100/20-ISRAEL

Subject: CYBERPOL finds "Declassified" UFO Videos by Trump to be fraudulent and fake !

Press Release. 616/IS/100/20_UFO

The three declassified UFO videos released by the Department of Defense at the Pentagon on the April 27th 2020 raised alarm with CYBERPOL The International Cyber Policing Organization after complaints were lodged to CYBERPOL Organization by anonymous members of the public.

CYBERPOL Digital forensic investigating Team, who examined the videos and came to the unequivocal conclusion that they were fake.

All three videos have been edited !

For editing the videos, they used the following tools :

- 1) GIF Animation- Use animation tools to create an original movie effect.
- 2) LAYERS - Add additional layers to the original video.
- 3) AFTER EFFECTS - Add binocular effect.

All tools are from the ADOBE software group.

The published unequivocal forensic findings can be downloaded by media and Press on the following link.
