General Secretariat has to be appointed at all times. The President may appoint anybody to act as a temporarily interim Secretary General till next election if required to manage affectively the situation that might arise.

**Article 28**

The Secretary General shall engage and direct the staff, administer the budget, and organize and direct the permanent departments, according to the directives decided upon by the General Assembly and / or Executive Committee and /or the President.

She /he shall submit to the President and the Executive Committee and /or the General Assembly any propositions or projects concerning the work of the Organization.

She / He shall be responsible to the Executive Committee and the General Assembly. She /He shall have the right to take part in the discussions of the General Assembly, the Executive Committee and all other dependent bodies. In all the exercises of her / his duties, she /he shall represent the Organization at all times and not any particular nationality and / or organization and / or country.

**Article 29**

In the exercise of their duties, the ***Secretary General and the staff shall neither solicit nor accept instructions from any organization and / or institution and /or any government or authority*** outside the Organization membership.

They shall abstain from any action which might be prejudicial to their international task.

Each Member of the Organization shall undertake to respect the exclusively international character of the duties of the Secretary General and the staff, and abstain from influencing them in the discharge of their duties.

All Members of the Organization shall do their best to assist the Secretary General and the staff in the discharge of their functions.

**NATIONAL CENTRAL BUREAUS**

**Article 30**

In order to further its aims, objective and purpose, the Organization needs the constant and active co-operation of its Members, who should do all within their power which is compatible with the rules and

regulations, legislations of their countries to participate diligently in its activities.

**Article 31**

In order to ensure the above international cooperation and assistance is met, each Member who is presenting an organization and / or a country or its authority, shall appoint a local body which will serve as the National Central Bureau for the Organization. It shall ensure liaison with:

- The various organizations and departments in the country;
- Those bodies in other countries serving as National Central Bureaus;
- The Organizations General Secretariat.

**Article 32**

In the case of those countries where the provisions of Article 32 are inapplicable or do not permit of effective centralized co-operation, the General Secretariat shall decide, with these membership countries, the most suitable alternative means of co-operation.

**THE ADVISERS**

**Article 33**

The Organization may consult "Advisers" on scientific matters, Research / Investigate and analyses of Research / Investigations. The role of the Advisers shall be purely advisory. Advisors must at all times when assisting promote and present the Organization and uphold its high value statute and image.

**Article 34**

Advisers shall be appointed for 3 years by the Executive Committee and or the President. Their appointment will become definite only after notification by the General Assembly and official approval of the President of the Organization.

All advisors shall be chosen from among those who have a world-wide reputation and qualifications in some fields of interest to the Organization. An Adviser may be removed from office by decision of the General Assembly. Advisors appointed by the President can only be removed by the Office of the President and do not account to the General Assembly unless told to do so.

**THE COMMISSION FOR THE CONTROL OF RECORDS**

**Article 35**

The Commission for the Control of Records shall provide the Organization with advice about any Member, staff and voluntary workers.

It shall be responsible for providing the Organization with advice about any project, operation, set of rules or other matter involving the processing of personal information.

The Commission for the Control of Records is an independent body which shall ensure that the processing of personal information by the Organization is in compliance with the regulations the Organization establishes in this matter.

The Commission for the Control of Records shall process requests concerning the information contained in the Organization's records.

All such records shall be accessible only to Members and staff in the Organization who is granted permission as set out in INFOSEC regulations of the Organization.

The **Commission of Control of Records** must undergo a security clearance and approved by the President before active. This measure is to ensure that all information of the Organization members is well contained.

The following security Clearance shall be adopted: CYBERPOL, the International Cyber Policing Organization, shall adopt 4 levels of Security Information, **COSMIC (TOP SECRET)**, **EC-SECRET**, **EC-CONFIDENTIAL** and **EC-COMMITTEE** in order to further it classification of records Research / Investigated that could be shared with member states as noted in **Appendix 1**.

**Such Clearances shall only be approved by the General Secretariat for a max period of 3 years.**

**Article 36**

The members of the Commission for the Control of Records shall hold the qualified expertise required for it to accomplish its functions. Its composition and its functioning shall be subject to specific rules to be laid down by the General Assembly and could be rectified at any time when approved by the President of the Organization.

**BUDGET AND RESOURCES**

**Article 37**

**The Organization's financial resources shall be provided by:**

1. The financial contributions from Members.
2. Gifts, bequests, subsidies, grants and other resources after these have been accepted or approved by the Office of the President.

**Article 38**

The General Assembly shall establish the basis of Members' subscriptions and the maximum fee that cannot exceed 250.000,00 Euro Per year. This restriction shall not apply to any government funds or grants.

The annual expenditure according to the estimate provided by the Secretary General shall be upheld. Staff including the President, Vice-President(s) and Secretary General can receive a salary provided they are active in the day to day activities of the Organization.

**Article 39**

The draft budget of the Organization shall be prepared by the Secretary General and submitted for approval to the Executive Committee.

It shall come into force after acceptance by the General Assembly provided that such funds are available. The expenditure budgeted may not exceed more than 80% of the annual funds raised in the Organization coffins. Should the General Assembly not have had the possibility of approving the budget, the Executive Committee shall take all necessary steps according to the general outlines of the preceding budget.

**RELATIONS WITH OTHER ORGANIZATIONS**

**Article 40**

The **Organization shall establish relations and collaborate with other "organizations"**, intergovernmental or nongovernmental international organizations at any time it deems fit, having regard to the aims and purpose and activities of the Organization provided in Article 2 , The Purpose is and activities of the Organization.

The general provisions concerning the relations with international, intergovernmental or nongovernmental organizations will only be valid after their recommendation by the General Assembly with final approval from the President.

The Organization by order of the President may at any time, in connection with all matters in which it is competent, take the advice of nongovernmental international, governmental national or non-governmental national organizations.

With the approval of the General Assembly and or the President in special circumstances, the Executive Committee or, in urgent cases, the Secretary General may accept duties within the scope of its activities and competence either from other international institutions or organizations or in application of international conventions.

#### **APPLICATION, MODIFICATION, INTERPRETATION OF THE STATUTE AND INTERNAL REGULATIONS**

##### **Article 41**

The present Statute may be amended on the proposal of either any Member or the Executive Committee with approval of the following:

1. The President of the Organization,
2. All the Vice-Presidents of the Organization,
3. The General Secretariat of the Organization,
4. and 80% votes in favor of such change by all Members of the General Assembly.

##### **Article 42**

The French, English and Dutch texts of this Constitution shall be regarded as authoritative.

##### **Article 43**

Internal Regulations which regulate the functioning of the Organization further and more detailed will be drawn up by the Executive Committee for the approval of the General Assembly, acting under the ordinary conditions of majority, and of the Office of the President.

Changes to the Internal Regulations may be made by the General Assembly, acting under the ordinary conditions of majority, and approved by the Office of the President.

#### **REPRESENTATION**

##### **Article 44**

The Organization is validly represented towards third parties, before the courts and in official deeds, including those for which the intervention of a civil servant or a notary is required, by the Secretary General and a member of the Executive Committee, acting jointly, in accordance with the instructions of the Executive Committee, which will not have to justify their power against third parties.

Within the framework of the daily management, the Organization is validly represented by

- 1) the President and /or the Secretary General; or
- 2) two members of the Executive Committee acting jointly and at least one of the following, the ***President or the Secretary General, in accordance with the instructions of the Executive Committee, which will not have to justify their power against third parties.***

Moreover, ***within the framework of their mandate***, the Organization is validly represented by special proxy holders ***authorized by the President and /or the Secretary General.***

#### **TRADEMARK IP RIGHTS AND OWNERSHIP**

##### **Article 45**

The organization is granted rights to the use of the CYBERPOL trademark No UK00003031007 "registered under class 45". All commercial that and seniority claim rights shall remain that of the IP owners.

The Organization may license, nominate any third party, agency and / or organization and / or corporation the rights to have access and / or the use the trademark under conditions to be set out by the owners of the trademark.

Such grant of uses shall be deemed a license approved for the user.

All approvals of such sub-license shall rest with the General Assembly and final approval of the President of the Organization. The President has full power to revoke any license granted at any time when it is founded that such organization the license were granted to have violated the integrity and good image of the Organization or engaged in any activity not in accordance with laws and the laws of the governing statute of that organization or country.

That the CYBERPOL AISBL is granted exclusive usage rights to use of the trademark services section only applicable to law-enforcement services and can't be revoked in the future or any point and time.

The IP rights to all commercial activity of IP's remaining trademark No UK00003031007 under classes from 1 to 44 and its seniority claim rights shall remain that of the IP trademark owners but can be shared when necessary in the interest of the Organization.

The Organization shall enter into an IP licensee agreement in order to allow the usage of the usage of the IP trademark No: UK00003031007

**The use of the CYBERPOL IP NO UK00003031007: Officers of the law and official state agencies must be a member of CYBERPOL** to use the official Law - enforcement Logo and must be in accordance with the regulations of uses of the Logo.

The President may grant permission to use the Logo to **officials or any civilian** when active in any operational duties when necessary.

The European Center for Information Policy and Security Ltd. (ECIPS) may file and own the rights of any trademark and or patent for commercial use under remaining classes 1 to 44 of the trademarks act due to its seniority claim rights.

**Special notes:**

**Identification ID/INSIGNIA/ Badge using IP names and logos:**

Any identification ID's/Insignia/ badge for members, staff and officers shall be approved by the Secretary General with exclusion of that of the founding members, the President and the Vice President of the Organization only.

**Any unauthorized use of such Identification shall be prohibited by law as indicated in Trademark act of EU by Council Directive No. 89/104/EEC (Repealed by EU Directive 2008/95/EC) or later.**

## TEMPORARY MEASURES

### Article 46

All bodies representing the countries mentioned in **Appendix I** shall be deemed to be Members of the Organization unless they declare through the appropriate governmental authority that they cannot accept this membership. Such a declaration should be made by means of public publication within six months of the date of the coming into force of the present statute.

## DURATION

### Article 47

The association can be dissolved only by majority vote of not less than 96% of the General Assembly and approval of the President of the Organization.

In such case of dissolution all funds shall be donated to the European Centre for Information Policy and Security ECIPS AISBL.

**This Constitution shall come into force on 2nd July 2015**
